

NETHMI MALEESHA RAJAPAKSHA

A dedicated and highly motivated BSc student in Information Technology at the Vavuniya Campus, University of Jaffna, Sri Lanka. Through my coursework and various online certifications, I have developed a solid foundation in web development, programming, networking, and graphic design. My commitment to continuous learning is evident in completing courses from renowned institutions such as the University of Michigan, University of Colorado, Google, and Cisco Networking Academy. With a strong educational background and a keen interest in technology, I am seeking opportunities to apply my diverse skill set and contribute to innovative projects, fostering my growth in the dynamic field of Information Technology.
